

A Message From Our Director

Growing up I always knew two things that were important to my Dad...missions and southern gospel music! So once again we are combining those two things to bring you the second annual JR Damiani Memorial Concert and Fundraiser. Sam and Pat Worthington, who were the founders of Morningstar Maternity Home, also enjoyed this style of music! I did not know much about Chosen Road so I decided to look them up on YouTube and they do not disappoint. The first song that came up when I searched their name was an old hymn of the church entitled, "How Beautiful Heaven Must Be." How appropriate. I always like to think of heaven as a big ole family reunion where we once again get to see our loved ones who have gone on before us.

Please join us at our 2nd Annual JR Damiani Memorial Concert/Fundraiser

From our Live in Staff

We would like to introduce to you our live-in staff member. We have gone back to the model of having one person be the program manager and house director during the day and have another person covering overnights and weekends while working a job during the day...introducing Kaitlyn

"Hi, my name is Kaitlyn Kenney! I have been passionate about pro-life ministry since I was in middle school and it is a blessing to be able to serve at Morningstar. I'm a big reader and lover of art, and I enjoy seeing all of God's natural wonders. I am a high school history teacher at Faith Christian Academy, and I love sharing stories, the most important of which is Christ's love as seen in His death and resurrection!"

Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland.

~Isaiah 43:18 & 19

A Prayer for Sanctity of Human Life

God, You are the **Giver of Life**. May we *understand* this.

O Lord, we worship you as the Creator and Sustainer of all things. You breathe life into all things, and in You, everything is held together. You treasure and cherish human life. From before the first breath to the last, You see each life as sacred.

God, You are the **Giver of Life**. May we *appreciate* this.

Give us eyes to see how sacred each life is, as You do. May we see Your likeness in each life, for we know we are created in Your image. May we see the infinite worth and divine purpose in each life, even from the beginning.

God you are the **Giver of Life**. May we join You in *treasuring life*.

Give us compassion to protect those who cannot protect themselves. Grant us the courage to stand for those who cannot stand for themselves. We pray for wisdom to defend those who cannot defend themselves.

God, **You treasure life**. May we represent You in honoring life.

Many thanks to St Peter's Covenant Church in Hilltown for hosting a beautiful night of sacred and seasonal Christmas music back in December to benefit Morning Star Maternity Home.

Great music, fun fellowship, beautiful Christmas decorations, and awesome Christmas cookies were enjoyed by all who attended.

Thank you for your faithful support and prayers for Morning Star over many years.

Thank you to the following churches for participating in our baby bottle drive last spring and this winter...

We would also like to take this opportunity to thank those of you who gave money to the bigger projects we needed to have done. The roof at the maternity home was replaced along with new gutters. The basement floor was replaced and looks great.
